

SYFAN TRANSPORT HAS:

- **30 trucks**
- **10 vans**
- **130 reefers** (refrigerated trailers)
- **Syfan Transport services the following states:**
Alabama, Georgia, South Carolina,
North Carolina, Tennessee, Kentucky,
Virginia, West Virginia, Ohio,
Pennsylvania, Indiana, Michigan, Illinois,
Minnesota, Wisconsin, Kansas, Iowa,
Missouri, Arkansas, and Texas.
- **24/7 load tracking, monitoring, and operations center**
- **Expertise in heavy equipment recovery operations**
- **Over 38 years of experience with McLeod's powerful software**
- **Real-time in-transit visibility**
- **Seamless API and EDI integration**
- **Specialized cold chain management solutions**
- **DFTS subcontractor**
- **FEMA Disaster Relief support**

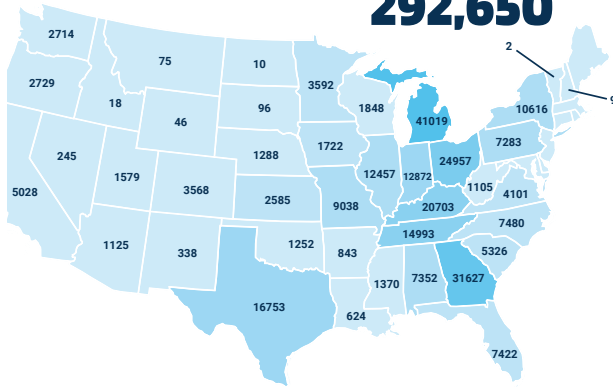

Syfan Transport provides even greater capacity to our customers with accessibility to a large private fleet of over-the-road trucks and several hundred trailers – dry vans, flatbeds, and the industry's most advanced temperature-controlled refrigerated trailers with cold-chain monitoring and solar panels.

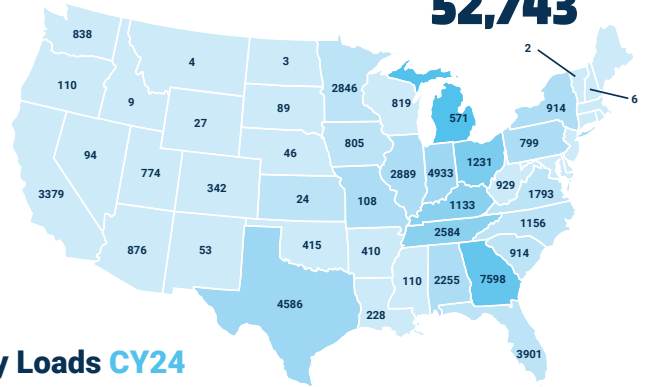

As the asset-based arm of Syfan Logistics, Syfan Transport is able to provide top-of-the-line communication and customer service through a 24/7 in-house dispatch team. Day or night, 365 days a year, there is a real Syfan team member available to speak with and answer any questions you may have.
