

# STUDENT OPPORTUNITIES AT SYFAN

## Looking for an internship or mentorship experience that makes an impact?

At Syfan, you'll gain real-world experience, build valuable connections, and get a firsthand look at the fast-paced world of logistics—all while being part of a culture like no other. Whether through our [virtual mentorship](#) or [paid internships](#) you'll develop skills, explore career paths, and even open doors to future opportunities with Syfan. Ready to take the next step in your career journey? Let's get started!

The Syfan culture is second to none and is a major draw that attracts students to our programs. By providing college students a paid, real-world industry and employment experience in logistics and supporting business operations, Syfan has successfully assisted college students with obtaining highly valuable work experiences, clarification of career direction while in school, and access to career opportunities with Syfan after graduation.

## SYFAN ACADEMIC RELATIONS PROGRAMS

### VIRTUAL MENTORSHIP

- Students can participate in our fully online virtual mentorship program, learning from our operations and management teams firsthand.
- Participants gain insight into the innerworkings of logistics operations, freight movement modalities, and vital supporting business disciplines.
- Students will walk away with valuable knowledge of the transportation industry, business practices, and the internship and career opportunities available at Syfan.

# INTERSHIP PATHWAYS

**If you are looking for an internship that develops, connects, grows, pays, and provides you with a unique environment and work culture experience you won't find anywhere else, Syfan offers it. Syfan's paid fall, spring, and summer internship experiences are available for students enrolled in classes with our core university partners.**

## **FALL AND SPRING INTERNSHIPS:**

- During the fall, Syfan hosts a limited number of internships for the same internship pathways provided over the summer.
- While interns are required to work 20 hours per week, Syfan understands that academic obligations are a priority.
- Intern team members can utilize fall and spring internships as a prelude or extension of a summer internship or a post-graduation internship opportunity.

## **SYFAN SUMMER INTERNSHIPS:**

- Our multi-university summer internship program offers pathways in several areas, including Logistics Operations and Pricing and Rates, Sales, Accounting and Finance, Information Technology, Human Resources, Marketing and Media Communications, and Account Executive pathways with Trilogy Solutions, LLC.
- Interns may be offered additional experiences through shadowing, cross-functional roles, and project work.
- Interns will be introduced to Lean Six Sigma methodologies and participate in professional and leadership development learning sessions through Syfan University.
- Intern teams work together to complete two service projects in support of our community.

## **POSTGRADUATE INTERNSHIPS:**

- Syfan also provides postgraduate internships which frequently result in direct career opportunities.

**REAL-WORLD WORK EXPERIENCES, PROFESSIONAL NETWORKING AND RELATIONSHIPS, AND THE EXPERIENCE OF WORKING IN A VIBRANT, PEOPLE-CENTRIC CULTURE DEDICATED TO TEAMWORK AND SERVICE WILL PROVIDE STUDENTS WITH A CLEAR VISION OF A FIRST CAREER OPPORTUNITY.**
